

Send an email to Kate at [kandbstewart@gmail.com](mailto:kandbstewart@gmail.com) (or reply to this) OR call/text [798-2475](tel:798-2475) to let me know you plan to attend service NEXT Sunday, August 9th. Let me know who in your household is planning to attend. Please try to pre-register by **8pm on Saturday, August 8th**, as we are limited to 50 attendees.

1. Bring appropriate face covering and have it on before you exit your vehicle.
2. The parking lot will have cones in every other spot to create distance between you and the next vehicle. Please only park in spots without a cone.
3. Be prepared to answer "yes" to the four questions on the health acknowledgement form as you enter the building.
4. Seating will take place front to back. An usher will be there to seat you. You may only sit with people that reside in your household.
5. Children are allowed to come but must wear a face covering throughout the service and remain with their parents. Children will not come to the front for children's time and there will not be Sunday School or a nursery available.
6. Since we are not allowed to have paper bulletins or Bibles/Hymnals, please bring your own Bible and a print out of the bulletin (it will be sent to you before the service), if you so wish.
7. The offering plates will be available as you exit the church at the conclusion of the service.
8. We want to thank you all for your support, cooperation, and understanding. Although this type of service may not seem ideal, it is the pathway to our current "normal." We are sure we won't be perfect, but we will strive to adhere to the guidelines and policies in place. There will be plenty of volunteers available to help you figure out the process, so please ask if you have a question about anything
